

10 August 2010

The WACO Wag-In committee is sorry to announce that the WAG-In event scheduled for Sep 11, 2010 at WACO field will be canceled. The committee has determined that the sponsorship for the event this year is just not going to be adequate to cover the projected expenses. The committee will continue to meet during the winter months and review options to improve sponsorship and participation for 2011. Please watch this space for future announcements regarding the event in 2011.

Sincerely,

WAG-IN Committee
